*We
Invite you
To Our Annual
Auction Sale*

I receive a great deal of pleasure from studying the pedigrees of Shorthorns everywhere, and especially at the great shows and expositions, and it is with pardonable pride and satisfaction when I note a prizewinner carrying Edellyn breeding. You may rest assured that when BIG BOY made it 3 in a row for Shorthorns at the last International Steer Show that we knew he was sired by a son of Edellyn Campeon Mercury, who was purchased in one of our June sales. We also knew that when TOMAHAWK won the same honor in 1945 that he was sired by Edellyn Grand Command also purchased in one of our sales. The pedigree of ROYAL JUPITER, the 1946 winner, shows his dam to be sired by a son of Browndale Archer who was purchased in an Edellyn sale. Many more examples could be cited, but to have contributed a part in these 3 greatest of all Shorthorn accomplishments certainly is the truest indication of the prepotency of our blood lines and breeding.

We are of the opinion, as well as our presale visitors, that this year's offering will contribute more to the Shorthorn business than anything we have ever sold. We are exceedingly proud of them and it is with genuine pleasure that we again extend to you a very cordial invitation to Edellyn Farms on the occasion of our 23rd Annual Sale.

CALROSSIE MERCURY—The first Perth Champion to come to this country, died Feb. 13, 1948. His record will live thru the years as one of the greatest improving influences the breed has ever known. The prepotency of the line, thru his remarkable progeny, has been carried into every Shorthorn stronghold. The Mercury Dynasty won the world's highest honor when Big Boy a great grandson of Calrossie Mercury won the Grand Championship over all breeds at the last International. SALTOUN SQUADRON LEADER

—Purchased at Perth, 1946, where he stood third in the younger March class and bred to order for service at Edellyn. He represents no violent outcross but a further infusion of blood-lines already well established in the herd thru the Mercurys and Royal Leaders. His sire won his class at Perth, 1944, and sold for 1700 gns. to Capt. Fletcher. His dam is also the dam of Saltoun Air Marshall, first at Perth, 1945 and sold to Laidlow Smith of Pitodrie for 2,000 gns. Aldie Conqueror, a grandson of Collynie Royal Leader, is recognized as one of the greatest sires of the breed today. Some of our best calves are by this bull.

EDELLYN ROYAL LEADER 74th—Outstanding and admired by everyone since the day he was born and no calf so completely fills the eye. Out of a very low set, thick made granddaughter of Calrossie Mercury and a granddam by Supreme Goldfinder, his background is perfect for that of a herd sire. Get-of-Sire by Edellyn Royal Leader.

Will Johnson Says . . .

Edellyn Farms have set the pattern for Shorthorns for more than a quarter of a century. Each succeeding crop of calves has approached the ideal more nearly than the preceding productions. The crops from which the 1948 sale offering has been drawn are near perfection and every lot in this catalog will advance the breed and enable its buyer to produce better Shorthorns than heretofore.

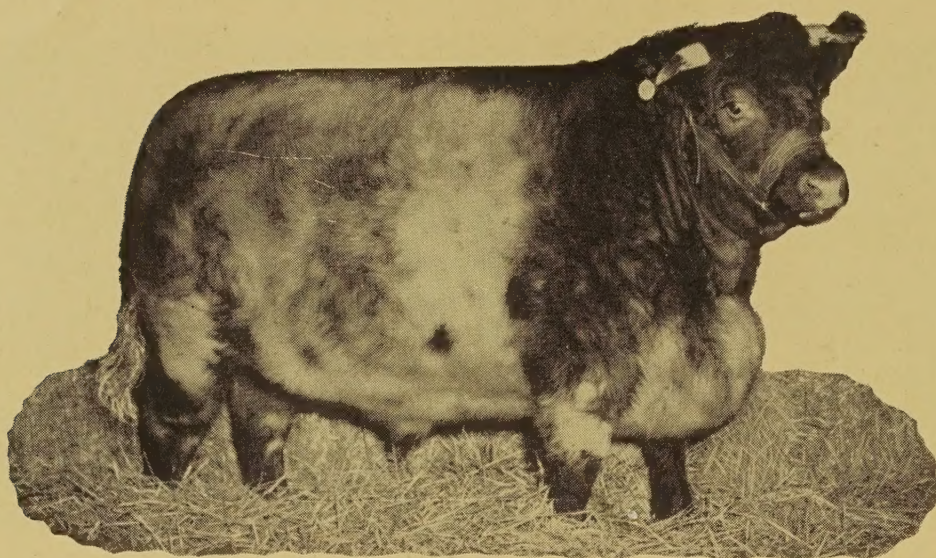

Calrossie Mercury (Imp.) has sired Shorthorns of superb character and extraordinary thickness of flesh. Edellyn Royal Leader has improved the breed's type and fixed most desirable color in his offspring. The blending of the blood of the two and the introduction of Saltoun Squadron Leader has resulted in producing the Best of Shorthorns.
